## Evaluations/Assessments

An evaluation is necessary to see where each child's skill level lies. After observation, teams are established via a DRAFT process which allows coaches to build their teams. It is imperative that every child be assessed in order to ensure that players are placed accordingly and the teams have a fair playing season.

## Refunds

Refunds will only be issued in the following scenarios:

- A player that has registered with NYBL, then makes the team for his or her school, and decides to play exclusively for the School. Please be advised that should the player stay with NYBL, he or she will be ineligible for the end of the season All Star games.
- Registration payments accepted after November 3, 2009 and later a spot could not be secured on a team.
- After review of other cases that are deemed appropriate.
