## Evaluations/Assessments

An evaluation is necessary to see where each child's skill level lies. After observation, teams are established via a DRAFT process which allows coaches to build their teams. It is imperative that every child be assessed in order to ensure that players are placed accordingly and the teams have a fair playing season.

## Refunds

Refunds will only be issued in the following scenarios:

- A player that has registered with NYBL, then makes the team for his or her school, and decides to play exclusively for the school. **Please be advised that if the player stays with NYBL, he or she will be ineligible for the end of the season All-Star games.**
- Registration payments accepted after November 1, 2009 and a spot could not be secured on a team.
- After review of other cases that are deemed appropriate.
